

CREDIT FOR WHAT YOU KNOW

CREDIT BY EXAM • COURSE CHALLENGE

FOCUSED PORTFOLIO DEVELOPMENT • ASSESSMENT OF PRIOR LEARNING

The Vermont State Colleges' prior learning assessment options help you get credit for any college-level learning you may have gained through work and training, military or community service, online or independent study. No matter which option is right for you, you can save money and graduate sooner.

COURSE CHALLENGE AT CCV

You can challenge a CCV course by demonstrating your mastery of the course objectives of that course. You will be evaluated by a CCV faculty member who teaches the course. The process is completed within 60 days or less. Awarded credits are ungraded CCV credits. Credits will appear on a CCV transcript, but may not transfer to other colleges.

COURSE CHALLENGE IS A GREAT VALUE

You pay a one-time course challenge fee which is equal to the cost of one credit hour. There is no additional cost for the credits received through course challenge. You can challenge up to four CCV courses.

COURSE CHALLENGE IS A GOOD OPTION FOR YOU IF YOU...

- Learned on your own through in-service workshops, online courses, trainings, or self-study
- Have gained learning that is equivalent to a course offered at CCV
- Are confident you have the knowledge necessary to cover the course material
- Have discussed this option and have received approval from a CCV advisor
