

Community College of Vermont
Media Release Protocol
5/15/2012

CCV's President's Council approved a change in our media release protocol. As of 5/15/2012 applicants and matriculated students are automatically included in a global media release, unless they specifically opt out with a written statement. The language of the release is as follows:

By matriculating, I understand that, unless I file a written and signed statement to the contrary with the Office of the Registrar, I give implicit permission and authorization to use any photographs, audio recordings or video taken of me for publicity purposes, in advertisements, publications, and on the Internet. In addition, I waive the right to inspect or approve the finished product, including written or electronic copy, wherein my likeness appears. I understand and agree that these materials are the property of the Community College of Vermont.

When doing *scheduled* photo shoots, individual video projects, small group work, etc. we will continue to invite anyone who doesn't want to be included to step out of the video/photo shoot.
