CREDIT BY EXAMINATION

Students attending one of the five Vermont State Colleges, or members of the military, can sign up for one of two testing options which are offered through the Prior Learning Assessment office in Montpelier:

- Developed by the College Board, the College-Level Examination Program (CLEP) offers more than 30 exams in areas such as composition, literature, history, social sciences, science, mathematics, business and world languages. Check clep.org for more information.
- The DSST Program (formerly DANTES Subject Standardized Tests) helps you receive college credits through more than 30 exams in college subject areas such as social sciences, math, applied technology, business, physical sciences and humanities. Check getcollegecredit.com for more information.

TESTING IS STRAIGHTFORWARD AND REASONABLY PRICED
