

Medical Assistant

College to Career Program

Brattleboro Memorial Hospital and Community College of Vermont have partnered to create an apprenticeship program, supported by the Vermont Department of Labor's Apprenticeship Expansion Grant.

- This one semester BMH/CCV College to Career Program prepares students with an interest in healthcare for positions as Medical Assistants.
- The program curriculum teaches clinical and administrative skills.
- Program enrollment is limited to 20 students. Eight full program scholarships are available for qualified students.
- Scholarship recipients receive job placement in a BMH Medical Group practice upon successful completion of the academic program and certification exam.
- Classes run September through December 2020 and scholarship recipients begin guaranteed employment January 2021.

Medical Assisting

College to Career Program

Application Process

1. Schedule a **New Student Appointment** with advisor, Leigh Marthe, to discuss your goals and specific steps for enrolling in the BMH / CCV Medical Assisting College to Career program. Call 802-254-6370 to schedule an appointment.
2. Fill out a **CCV application online** at <https://apply.ccv.edu/degree>. Identify yourself as a Brattleboro student and declare an intent to pursue an associate degree in Medical Assisting. (In order to access most financial aid programs, students are required to enroll as degree students.)
3. Complete your **skills assessment**. This assessment is used to help you select the classes most appropriate to your academic skills. (Official SAT or ACT scores that are less than three years old may be submitted for review instead.)
4. Fill out the **Brattleboro Memorial Hospital Scholarship application** and submit all necessary transcripts and paperwork.
5. Consider additional payment options and **apply for financial aid** (grants, loans, and scholarships).
6. This scholarship is time sensitive. **Applications will be considered and awarded on a rolling basis**. The deadline for scholarship applications is **7/20/2020**.

Contact Leigh Marthe at 802-254-6389 for more information.
