

# CCV Study Abroad Fall 2018 Fact Sheet

## Ireland through Words, Images & Music Music HUM-2150-VM01

### Course Information

Experience Ireland through the imaginations of its well-known writers, movie directors, and traditional and contemporary musicians. Learn about Ireland's turbulent past and how people have adapted to and modified its land yet maintained a distinctive Irish identity and culture. We'll meet monthly to discuss, listen to, and view a variety of expressions of that cultural identity in preparation for our January 2019 trip. On the ground in Ireland we'll start on the west coast of County Kerry on the remote Dingle peninsula, an area rich in archaeological remains and dramatic coastal scenery and an outpost of the Irish (Gaelic) language. We will make our way eastward to the vibrant city of Kilkenny, centered in an area of medieval castles, monastic remains, and splendid woods walks. From there we head to the northeast through Ireland's most significant upland area in County Wicklow, then descend slowly into the country's capital region and largest city, Dublin. Here we'll have three days to soak in the sights, sounds, and flavors of Ireland's dominant urban center.
