

## Respiratory Therapy Program Pathway Agreement with CCV

Students may complete the following CCV courses to prepare for the VTC Respiratory Therapy associate degree. Students who complete the required courses with a grade of B or higher will be accepted into the VTC Respiratory Therapy program the following fall semester provided they complete required application steps and meet application deadlines. Students are advised to check the VTC Respiratory Therapy and VTC Admissions webpages for application requirements:

<https://www.vtc.edu/academics/program/respiratory-therapy>

<https://www.vtc.edu/admissions-aid/apply>

The CCV courses could be also be applied to the requirements of CCV Allied Health Prep Certificate or STEM Studies Certificate.
