How to Help, Where to Volunteer, and Donate

United Way of Northwest Vermont is dedicated to supporting our community members through the COVID-19 pandemic and the social and economic fallout that may result from it. To support all of our neighbors, we're working with our existing network of partnerships. Learn more about how to give help, get help, and donate to the COVID 19 United Response Fund:

<https://unitedwaynwvt.org/covid19-community-response>

Community Resource Changes

During COVID19, community resources continue to change rapidly. Contact your Resource Coordinator to ask questions and learn about changes. Resource Coordinators developed this resource document for employees:

Financial Help

If you think you might have trouble with making payments this month or next month, whether it be utilities, rent, mortgage, leases or loans, contact your provider before you miss payments. Communication is really important. We can help you – contact your Resource Coordinator.

Child Care Disruptions for “Essential Workforce”

If your family is experiencing a child care closure due to COVID19 and you meet the “essential workforce” definitions, you may be able to access free child care at local, public schools. Sign up for child-care for essential workers here:

<https://webportalapp.com/webform/essentialworkers>
or dial 2-1-1 Ext. 6
