All set for winter tires?

The Wheels for Warmth tire sale may be cancelled this year, but there are other affordable options out there! Ask your RC about what strategies for finding affordable snow tire options might work best for you – like asking your mechanic, checking Craig’s List or Front Porch Forum, using an Income Advance Loan, or using funds available to recipients of Reach Up or Voc Rehab.

Stay warm this winter!

It’s never a bad idea to look into fuel assistance programs before you need them! Apply for **Seasonal Fuel Assistance** year-round (includes wood and pellets). Apply for Crisis Fuel Assistance if your fuel level is at or below 25%.
