

# December RESOURCE HIGHLIGHTS

FREE • CONFIDENTIAL • AVAILABLE REMOTELY

## Rapid Resolution Housing Initiative

If you or someone you know are experiencing homelessness (are without a fixed, regular, and adequate nighttime residence) due to COVID-19, [the Rapid Resolution Housing Initiative](#) might be able to help. This program provides financial assistance to achieve safe housing (can include alternative options like home shares). Ask your RC how to get started. Apply now before funding ends at the end of December.

## Need to move right away?

If you need to move due to the cost of your living situation, the distance from work, repairs that aren't being done, or a few other qualifying reasons, you may be eligible for financial help from the [Money to Move program](#). If you have a place lined up but just need an extra boost getting there, talk to your RC before the December 11 deadline!

## Last chance to try Farmers to Families!

The Farmers to Families Food Box Program has been extended through the end of the year! Throughout December, food boxes will be available at multiple daily food distributions throughout the state. Reserve your food box in advance to receive about 30 pounds of food, including fresh produce, dairy products, and meat. To register and see the dates and locations, visit:
