Looking for Translated COVID-19 Info?

Look no further! Newamericansinvermont.com is a volunteer-run, Vermont-focused website that offers information about COVID-19, vaccines, health directives and additional resources in more than a dozen languages!

Join a GrowTeam!

Check out [GrowTeams](#), Shift Meals' collective community gardening program! Everyone has a right to produce food for themselves, but many of us are unable due to lack of land, start-up costs, and know-how. **The BIPOC GrowTeam** creates a space where BIPOC-Vermonters grow food for themselves and their families and access free classes, workshops and more around food, land, climate, and racial justice activism. **Restaurant GrowTeams** offer Vermont service-industry workers hands-on work in the garden, workshops, and knowledge-resource sharing.

Are you or a loved one uninsured?

Vermont Health Connect has opened a [Special Enrollment Period](#) through August 15. During this time, any uninsured Vermonter can sign up for a [qualified health plan](#) through Vermont Health Connect. Qualified families can also get [financial help](#) paying for coverage. Call **1-855-899-9600** to learn more or ask your RC how to get started!

Free Recovery Yoga Classes!

Did you know that the Turning Point Center is offering free online yoga classes tailored to people in recovery? Learn more [here!](#)

Get a great deal on a bike!

Eligible Vermonters can visit Old Spokes Home to purchase bikes, service, and accessories at a subsidized cost through their [Everybody Bikes](#) program. Eligibility can come from receiving community benefits or a referral from a community partner. Visit their website or call Laura at **(802) 730-4715**.
