

21ST CENTURY SKILLS BADGES

Community College of Vermont has partnered with © Education Design Lab to issue eight 21st Century Skills Badges. CCV offers three 1-credit courses that lead to multiple micro-credentials in skill areas that can be applied to any position or industry.

VALUE OF 21ST CENTURY SKILLS

- **Close the Skills Gap:** Created in partnership with employers across industries to support the development of the most critical skills needed to be successful in the workplace.
- **Rigorous Learning:** Active, engaged learning with opportunities to apply skills in real workplace scenarios.
- **Visibility of Skills:** Each badge contains clear and visible information about the knowledge and skills of the earner.

BADGES EARNED:

CCV is looking to partner with employers to endorse our credentials, interview credential earners, and inform the creation of future credentials to meet the needs of Vermont's employers.

Initial development of CCV's Flex program was made possible through philanthropic support from the J. Warren and Lois McClure Foundation. Now, thanks to a generous grant from the Northfield Savings Bank Foundation (NSBF), CCV has been able to further expand and promote our Flex offerings.

CCV is committed to non-discrimination in its learning and working environments for all persons. All educational and employment opportunities at CCV are offered without regard to race, creed, color, national origin, marital status, sex, sexual orientation, gender identity, veteran status, or any other category protected by law. CCV is an equal opportunity employer. Auxiliary aids and services are available upon request to individuals with disabilities.
