Mathematics B.S.**

Total CCV Credits = 60+  
Estimated remaining SMC credits = 68

**Associates Degree  
60 Credit Transfer  
Guarantee.**

# Why Transfer Now?

**Small Size!**  
We have roughly 1,700 undergraduate students.

**Flexible housing and Transfer specific Orientation.**

**Academic Advising Program**

**Accelerated Summer College**

Accessibility of faculty members; small class sizes; easy collaboration with other departments like Student Financial Services and Academic Support!

We are primarily residential; we will work with you to place you in the most appropriate housing to meet your needs and promote academic and personal success.

Detailed collaboration with a faculty advisor who will support you through course selections, attaining academic goals and more.

Two free courses the Summer following your first semester/year.
