

June RESOURCE HIGHLIGHTS

FREE • CONFIDENTIAL • AVAILABLE REMOTELY

Are you behind on mortgage payments?

The [VT COVID Emergency Mortgage Assistance Program](#) helps people pay back up to 12 months of mortgage payments they have missed due to COVID-19. You may be eligible for help if you own a home in Vermont and have missed any mortgage payments due to a COVID-19 hardship. This program may even help with past due property taxes! Learn more or apply by visiting www.vhfa.org/map and asking your RC for assistance!

Get a discount on internet service!

The [Emergency Broadband Benefit](#) will provide a discount of up to \$50 per month (up to \$75 on Tribal lands) toward broadband service for eligible households struggling to stay connected during the COVID-19 pandemic. Eligible households can also receive a discount of up to \$100 to buy a laptop, desktop computer, or tablet from participating providers.

Join the Intervale's Fair Share CSA!

This program offers income-eligible households free CSA shares full of gleaned local produce every Monday July through October. For more information or to sign up, contact Hannah Baxter at Hannah@intervale.org or (802) 660-0440 ext. 120 ASAP (shares usually fill up by mid-June!).

3SquaresVT + Local Food = Big Savings!

Do you qualify for 3SquaresVT benefits? Buying local produce could save you money! For example, the **3SquaresVT Farm Stand Match Program** gives 3SquaresVT customers 50% off on fresh fruits, vegetables, culinary herbs, and culinary plant seeds and starts when they spend their 3SquaresVT benefits at a [participating farm stand](#)! There is no limit and no application needed! Simply shop at a participating farm stand with 3SquaresVT benefits to receive the discount.

nofavt.org

NOFA-VT's Summer Crop Cash Program gives you \$10 in Summer Crop Cash to purchase fruits, veggies and edible plants for every \$10 spent in 3SquaresVT benefits at a [Farmers Market](#). This means \$10 in 3SquaresVT buys \$20 in local food! Not sure if you qualify for 3SquaresVT benefits? Ask your RC!
