Overview

Art and design programs at CCV allow you to combine your skills in creativity, communication, design, and technology to prepare for work in the broad area of arts and media. Certificate programs provide opportunities to explore animation and film, photography and graphic design, social media and digital marketing, and a variety of studio art disciplines. Certificates can also be applied to the design & media studies associate of arts degree.

Outcomes

Art & Design programs at CCV prepare you for careers such as:

- Graphic Designer
- Photographer
- Media & Communications Professional
- Illustrator for Periodicals and Newspapers

Median Wage

\$51,168
Graphic Designer

Choose Your Path.

Continue Your Education

Nearly half of CCV graduates choose to continue their education beyond an associate degree. To make transfer seamless, easy, and affordable, CCV has agreements with other institutions across Vermont and throughout the region.

Potential transfer programs include:

- Media and Communication at VTSU
- Public Communication at UVM
- Media Arts at VTSU
- Filmmaking at Champlain

Visit ccv.edu/transfer to learn more.

Andrea Otto '16 A.A. Visual Arts
Community Liaison at Catamount Arts

"You don't have to go to a really expensive university to gain those [basic] skills and I think if you want to stay in the area and invest in a local community, CCV will give you such a great foundation."

Get A Job

Connect with CCV's Career Services team for help exploring careers, embarking on a job search, or learning about options to gain experience in the field of art and design. Career Services has partnered with businesses and organizations across the state to host students for informational interviews, job shadow days, and internships. They've also created guides to help you explore career information based on your program of interest.

Margo Whitcomb, CCV Acting I Instructor

"Taking an acting class, or movement class, or expressing yourself artistically, is more necessary and more satisfying than ever...acting is a wonderful space in which to safely examine some really challenging aspects of living today."
