

2022-2023 Household Size, Dependent

The U.S. Department of Education selected your application for “Verification”, and we are required to ask you for this information before awarding you Federal financial aid. One of the items we have to verify on your application is your household size and/or number in college status. If there are differences between your FAFSA application and this statement, we will send corrections electronically to the U.S. Department of Education. If corrections are made, you will then receive an updated Student Aid Report (SAR) from the Central Processor (CPS).

Complete this form and submit it to your financial aid counselor as soon as possible so your financial aid won't be delayed. Your financial aid counselor would be happy to help you.
