

# April RESOURCE HIGHLIGHTS

FREE • CONFIDENTIAL • AVAILABLE REMOTELY

## Everyone Eats Extended!

The Everyone Eats Program has been extended until July 1<sup>st</sup>, 2022! It consists of two different options—ready-to-eat meals at different pick-up locations across the State or by ordering off the

Localvore app. These meals are part of The COVID-19 response to make wholesome meals available at no cost, to anyone who needs them. See your RC for more info or for help on how to get started!

## Summer Camp Funding Available for Franklin Residents!

The Warner Home for Little Wanderers Foundation has funding available for residents of Franklin County. Funding is available for summer camps, scholarships, and year-round enrichment activities for children! Scholarships are even available for college students. Check it out!

## Burlington Parks and Recreation Programs!

Now that Spring is here, it's time to get moving! Burlington Parks and Recs offers affordable school break camps, adult programs, and summer camps for Vermont Residents. From ice skating to disc golf, to ponies -- there is something for everyone!

## Get a great deal on a bike!

Eligible Vermonters can visit Old Spokes Home to purchase bikes, service, and accessories at a subsidized cost through their [Everybody Bikes](#) program. Eligibility can come from receiving community benefits or a referral from a community partner. Visit their website or see your RC for more information!

## Join a GrowTeam!

Check out [GrowTeams](#), Shift Meals' collective community gardening program! Everyone has a right to produce food for themselves, but many of us are unable due to lack of land, start-up costs, and know-how. **The BIPOC GrowTeam** creates a space where BIPOC-Vermonters grow food for themselves and their families and access free classes, workshops and more, around food, land, climate, and racial justice activism. **Restaurant GrowTeams** offer Vermont service-industry workers hands-on work in the garden, workshops, and knowledge-resource sharing.

## Free Home Ownership Course Available!

Fannie Mae is now offering a free home ownership educational online course! This course helps meet the requirements of [Vermont Housing Finance Agency's](#) (VHFA) Mortgage Lending Program. Ask your RC for more information!
