## New tool to navigate legal problems!

Vermont Legal Aid has added five tutorials called “Roadmaps” to the statewide [legal help website](https://vtlawhelp.org) explaining the process for:

- Relief for abuse orders
- Divorces
- Reclaiming rental security deposits
- Small claims cases
- Appealing disability benefit denials

The Roadmaps feature step-by-step directions and short videos!

## Community Wellbeing Festival 7/9

Check out the first Inner Space [Community Wellbeing Festival](#) on Saturday, July 9<sup>th</sup> from 11am-4pm at Rotary Park in Winooski. Hosted by Inner Space – a community-based healthcare organization for people who have experienced systemic oppression - this event is intended to provide a safe space for community healing, art, music, food, and to be connected with healthcare providers in Vermont.

## Looking for support with a disability?

**Vermont Center for Independent Living (VCIL)** helps individuals with disabilities through supports ranging from peer advocacy, information and referral to assist with achieving and maintaining independence, home accessibility modifications, and more!

## Have a child under 5?

The CDC now recommends a COVID-19 vaccine for all children 6 months old and over. Parents and caregivers should expect to hear from their child’s pediatrician when they are ready to begin vaccinations. The Health Department is also offering vaccines at a limited number of walk-in [clinics](#).
