# Rooted in our campus communities since 1787

On July 1, 2023, Vermont State University\* will bring together the very best of Castleton University, Northern Vermont University, and Vermont Technical College.

Students will have greater access to:

- Quality, comprehensive education from any Vermont location.
- A broad and deeper range of courses, faculty, and extended activities.
- An even larger alumni network to tap into for inspiration and career success.
